STAT

In connection with our recent conversation, I am enclosing forms for application for employment and Personal History Statements, the completion of which is the first step for consideration by this Agency of any prospective employee.

While our records indicate that you submitted a similar application some time ago, no copies remain on file and, in any event, we would have to request that old forms be brought up to date.

If you will complete and return two copies of each of these forms we will again survey our existing vacancies and determine whether or not we may have something suitable for you. When this is done you will be informed of any possibilities.

Your continued interest in this Agency is appreciated.

Sincerely,

*via ER 1/23/50.*
